

How Can I Help?

As with all other vibrant and sustainable communities, our Sisterhood requires funds, as well as tangible items to continue serving our community in the best and most efficient ways possible. Even if you are unable to attend in person, we are always open to accepting monetary tithes as well as anything from our current **Sanctuary Wish List**:

- Electric oven with stovetop range
- New or gently used microwave
- Unscented tealights (white is preferable; we go through 25-50 of these per gathering)
- Novena candles (in the tall jars, all colors, unscented)
- Sage and Cedar wands
- Toilet paper and paper towels
- Organic hand soap
- Organic dish detergent
- Organic dishwasher detergent
- Long lighters (“Flamethrowers”)
- Wooden matches
- High-quality (non-synthetic) incense, oils, and organic herbs
- Wine for Libations
- Fine chocolate for “Cakes”

Also:

We continue to seek the right lawyer—well-versed in non-profit creation—willing to work pro-bono or at a greatly discounted rate to answer our questions and assist us in manifesting our Sisterhood as a legal 501(c)3 non-profit.

Our Sanctuary

We are grateful and blessed to be celebrating our third year in the Sanctuary! This space remains at 90% completed, and it is used for all rituals that take place directly after Fall Equinox until our return to the Sacred Grove at Spring Equinox (or when the rains end). We also use our Sanctuary for all classes, gatherings, and after-ritual feasts year-round.

Our renovations require more funding for finish work and completion, including repair of the heating system for the upcoming Fall/Winter of this year, 2016-2017. Please help support us in this project by making your donation of any size via the [PayPal button on our website](#), writing to us privately for our mailing address to send a check, and/or dropping off your contribution at our rituals and other events.

We thank you from our hearts for your continued support! We look forward to our continued growth and serving you for many, many, many years to come. *So mote it be!*

Blessed be,

Lady Jesamyn Angelica, High Priestess

Priestess Sabrina Moon; Presiding High Priestess of Solar Tribe and Honey Hive
